Hi Steve,

Katrina needs a description the possible “categories” for the federally declared counties and parishes, plus the category designation for each county/parish. Do you have that available? Any format (txt, xls, doc, etc.) is perfect. I talked with Eric Delgado and he mentioned I should get in touch with you. Also, I wanted to verify if Waller County or Walker County is one of the federally declared counties. I saw a website with Waller. <https://www.disasterassistance.gov/>
Thank you!!
